Kasi patriot
Truck mounted, self-contained infrared restoration system

The Kasi patriot proudly combines, on one chassis, a 48 sq. ft. infrared pavement heater, 2, 4 or 6 ton capacity asphalt reclaimer, large tool storage area, compactor compartment, and dumping waste bin. Hydraulic controls add to the ease of operation. The patriot provides a 2-person crew with all the materials and equipment necessary to perform the finest asphalt restorations.

The design, workmanship, and materials incorporated in Kasi equipment are exceptional. The asphalt restorations produced by Kasi equipment will last for years. Innovation insures Kasi Infrared’s position as the industry leader.
